Action Taken on the Feedback committee report 2023-24

1. Feedback from Students

Key Feedback:

- Need for improved digital resources for online learning and access to study materials.
- Request for enhanced practical training and additional lab facilities.
- Improvement in classroom infrastructure (e.g., ventilation, seating).

Actions Taken:

Based on the feedback collected from students regarding faculty performance and teaching methodologies, the Internal Quality Assurance Cell (IQAC) has taken the following actions to address the identified areas for improvement and to enhance the overall learning experience:

1. Skill Development Initiatives

- HODs have been advised to organize more **skill development courses, webinars, and guest lectures** to promote the holistic development of students.
- Collaboration with industry professionals and academic experts is encouraged to provide practical insights and exposure to current trends.
- A structured calendar for such events has been proposed, ensuring regular opportunities for students to participate.

2. Enhanced Subject Proficiency

- Subject teachers are instructed to provide additional **exercise problems and assignments** that are application-oriented and cover a broader range of topics.
- Teachers will ensure that assignments include problems that cater to different levels of difficulty to help students build proficiency step-by-step.
- Continuous assessment of submitted assignments will be undertaken to identify and support students facing difficulties.

3. Implementation of Remedial Classes

- It has been planned to include **Remedial Classes in the timetable** as an extended **8th hour** for academically weaker students.
- These sessions will be utilized for:
  - Providing simplified notes and explanations.
  - Conducting doubt-clearing sessions.
  - Administering slip tests and quizzes to reinforce concepts.
- Mentors will monitor the progress of students attending remedial classes and provide feedback to the respective subject teachers.
- Subscribed to additional e-books and journals through **Knimbus** and **National Digital Library of India** for enhanced digital learning.

2. Feedback from Teaching Faculty

PRINCIPAL
Gokula Krishna College of Engineering
Behind R.T.C. Depot, Sullurpet
SPSR Nellore Dt, Andhra Pradesh - 524 121

Key Feedback:

- Suggestion for conducting regular faculty development programs (FDPs).
- Requests for research incentives and support for publishing papers in reputed journals.
- Improved access to teaching aids and technology for interactive learning.

Actions Taken:

- Organized **FDP on Innovative Pedagogies and Advanced Technologies** in the AY-2024-25
- Proposed to Management for financial incentives for faculty publishing in SCOPUS/WoS-indexed journals.
- Proposed to procure smart boards and additional projectors for classrooms to enhance teaching methods.

3. Feedback from Alumni

Key Feedback:

- Inclusion of industry-relevant skills in the curriculum.
- Establishment of a dedicated alumni network for mentorship and guidance to current students.

Actions Taken:

- Planned skill-based training programs, including **Python for Machine Learning** and **IoT Applications** for final-year students.
- Established an **Alumni Association Portal** in the college website, encouraging alumni to participate in mentorship programs and share their expertise.

4. Feedback from Employers

Key Feedback:

- Emphasis on improving students' soft skills and communication abilities.
- Inclusion of internship opportunities and exposure to real-world industrial problems.

Actions Taken:

- Conducted dedicated soft skills and communication workshops under the **Technical Club** activities.
- Strengthened collaborations with industries for internship opportunities
- Organized industrial visits and guest lectures by industry professionals to bridge the gap between academics and industry requirements.

General Actions Implemented:

- Feedback was collected systematically through Google Forms, personal interviews, and focus groups.
- Regular review meetings with **IQAC** to monitor the implementation of actions and their effectiveness.
- Infrastructure upgrades completed as per priorities mentioned in feedback.

	experiences and creates interest in the subject						
10	The teacher illustrates the concepts through examples and applications.	7.1%		22.9%	63.2%	Every time/ occasion ally	86.1%
11	Periodical assessments are conducted as per schedule		12.7%	62.5%	22.8%	Agree & strongly agree	85.3%
12	The teacher uses non-traditional methods of evaluation like quiz, seminars, assignments, classroom presentations/participation (or any other method). *		16.9%	59.6%	19.1%	Agree & strongly agree	78.7%
13	The teacher identifies your strengths and encourage you with providing right level of challenges.			21.3%	72.6%	Fully & partially	93.9%
14	Teachers are able to identify your weaknesses and help you to overcome them			22.3%	71.2%	Every time & occasion ally	93.5%
15	Were your performance in Tests and assignments discussed with you?			19.2%	75.5%	Every time & occasion ally	94.7%

16. For better academic performance, do you think you need?

For this question the following are the observations on students' feedback;

1. More lectures by experts
2. More books in the library
3 Access the internet more, More books in the library
4. Extra/Remedial classes.

Action Taken by IQAC After Analyzing Student Feedback on Teachers for the Academic Year 2023-24

Based on the feedback collected from students regarding faculty performance and teaching methodologies, the Internal Quality Assurance Cell (IQAC) has taken the following actions to address the identified areas for improvement and to enhance the overall learning experience:

1. Skill Development Initiatives

- HODs have been advised to organize more **skill development courses, webinars, and guest lectures** to promote the holistic development of students.
- Collaboration with industry professionals and academic experts is encouraged to provide practical insights and exposure to current trends.
- A structured calendar for such events has been proposed, ensuring regular opportunities for students to participate.

2. Enhanced Subject Proficiency

- Subject teachers are instructed to provide additional **exercise problems and assignments** that are application-oriented and cover a broader range of topics.
- Teachers will ensure that assignments include problems that cater to different levels of difficulty to help students build proficiency step-by-step.
- Continuous assessment of submitted assignments will be undertaken to identify and support students facing difficulties.

3. Implementation of Remedial Classes

- It has been planned to include **Remedial Classes in the timetable** as an extended **8th hour** for academically weaker students.
- These sessions will be utilized for:
    - Providing simplified notes and explanations.
    - Conducting doubt-clearing sessions.
    - Administering slip tests and quizzes to reinforce concepts.
- Mentors will monitor the progress of students attending remedial classes and provide feedback to the respective subject teachers.

Follow-Up Plan

- The IQAC will conduct periodic reviews to assess the effectiveness of these initiatives.
