ABOUT THE CONFERENCE

National conference on emerging technologies in engineering and Management sciences provide national level platform for researchers, academicians, professionals and Industry experts to discuss advancements and challenges in Engineering and Management Sciences. The conference aims to facilitate the exchange of cutting-edge research across various educational disciplines. This Conference seeks to encourage collaboration, foster interdisciplinary discussions, and showcase innovative methodologies, ultimately aiming to advance educational practices in India.

CALL FOR PAPERS

Original Contributors of ongoing research works are expected from the authors. Prospective Author(s) are requested to submit their soft copy research papers in IEEE format and not exceeding six pages in length.

Topics of interest include, but not limited to the following:

Artificial Intelligence	Smart Grid Technologies
Blockchain	Microelectronics
Cloud Computing	Computer Aided Design
Data Science	Mechatronics
VLSI	Fluid Mechanics
Embedded Systems	Automobile Engineering
Computer Networking	Marketing
Signal Processing	Finance
Internet of Things	Human Resources
Power Systems	Business Analytics
Control Systems	Entrepreneurship

IMPORTANT DATES

Last date to submit paper	12.04.2025
Conference date	16.04.2025 to 17.04.2025

PUBLICATIONS

All Conference papers will be published in ISBN Conference proceedings and International journals.

Peer reviewed and selected research papers published in SCOPUS Indexed journals with author concern (regarding fee & publication).

REGISTRATION PARTICULARS:

UG/PG Students	: Rs.1000
Academic Faculty/Research Scholars	: Rs.1500
Industry Deligates	: Rs.2000
